AUTOFLUG TOXICSHIELD

NEXT GENERATION CBRN PROTECTION

THINKING SAFETY

THINKING SAFETY

THINKING SAFETY

HEAD

- Helmets for rotary and fixed wing platforms (i.e. HGU-55, SPH-4G, HGU-56)
- Hood
- Mask with optional altitude protection and connection to (emergency) oxygen supply
- CBRN-filters

BODY

- Undergarment protection system
- Overgarment
- Gloves
 - Pilot gloves with maximized tactility
 - Operators gloves
 - Heavy duty operators gloves (i.e. for winching)
- Boots
 - Sock in boot
 - Modular boot in boot

ACCESSORIES

- Vest
 - Survival
 - Ballistic protection
- Body cooling
- Communication unit
- Urination facility
- Drinking system
- Cold protection
- Immersion protection
- emergency breathing system
